OUTPUT

The screenshot shows the Foodpicky homepage. At the top, there's a navigation bar with links for Home, Restaurants, your orders, and logout. The main heading "Order Delivery & Take-Out" is displayed over a background image of various dishes. Below it, a sub-headline says "Find restaurants, specials, and coupons for free". A search bar contains the placeholder "I would like to eat...." and a red "Search food" button. Three steps are outlined: 1. Choose Restaurant (with a building icon), 2. Order Food (with a plate icon), and 3. Delivery or take out (with a delivery truck icon). Below this, a section titled "Popular Dishes of the Month" with the subtitle "The easiest way to your favourite food".
